

# ACTIVE CAMPS

A parent/carer's guide to  
**ACTIVE CAMPS**

# ACTIVE

# CAMPS

**Thank you for choosing Pro Sport Coaching Active Camps for your child this school holiday.**

We have put together the following information to make your experience as enjoyable as your child's.

### **What are Pro Sport Coaching Active Camps?**

Established in 2006, Pro Sport Coaching has been running activities during school holidays, alongside the daily work we do throughout term time in schools across Lancashire. Initially named 'Holiday Clubs', we decided to rename, rebrand and reinvent our 'Active Camps' in 2020. This step was taken to ensure we meet our aim of providing high-quality sport and activity focused provision for children, that is an affordable, flexible and safe solution for parents.

### **What should my child bring?**

As your child will be active and moving around for most of the day, they will need to bring the following:

- **A refillable bottle** - water is available at all of our venues
- **A packed lunch** - **please avoid sending your child to camp with nuts or any items that could contain nuts** (please note we cannot refrigerate any food items)
- **Healthy snacks** - as well as lunchtime, your child will have a morning and afternoon break to have a snack
- **Sun cream** - to help avoid sunburn in the summer months we ask you to provide your child with sun cream and ensure they know how to apply it. A sun hat is also recommended in the summer months
- **Clothing** - we advise that you send your child with an additional set of clothing, just in case!

## What NOT to bring!

- Please avoid bringing any nuts or items containing nuts
- Mobile phones, tablets and any other electrical items
- Sports equipment - we provide all equipment needed
- Any valuables, such as watches or jewellery

## What should my child wear?

As your child will be active and taking part in physical activity for most of the day, we suggest they wear the following: t-shirt, jumper, tracksuit bottoms/leggings/shorts and trainers, plus a coat/jacket to arrive and depart in, particularly in the winter months.

## What happens if my child has a medical condition?

We want to ensure we give you and your child the best and safest experience possible whilst attending an Active Camp. To support our staff, we need to be aware of any pre-existing medical conditions, plus any additional information when you make your booking.

If your child requires medication during an Active Camp, please bring this to the attention of the camp coordinator upon arrival as we require you to complete a short Administering Medication Form.

All information regarding your child's medical needs will be treated in the strictest confidence.

## Do we accept childcare vouchers?

From October 2021, we will be accepting payment via childcare vouchers for our Active Camp in Clitheroe, which we are running in Partnership with Roefield Leisure. Payment should be made via your scheme to 'Roefield Leisure Playscheme'.

We are also looking to become Ofsted registered in the future for some of our other Camps, as each Camp setting has to be registered independently.

## What happens at registration?

The registration area is signposted at each Active Camp venue (detailed venue information can be found in the below guide). Drop-off is from 8:20am for 8:30am bookings, and from 7:50am for 8am bookings (ONLY available at our Roefield Leisure Active Camp).

Our camp coordinator will be at the registration desk to ensure your child is signed in and to answer any questions you may have. It would also be useful if you could have your booking confirmation available when signing in your child.

You will be given a contact card which includes the camp coordinators name and an emergency contact number should you need to get in touch with them.

Once your child is signed in, a member of the team will show you where to leave any bags and coats, and introduce your child to the morning activities.

## What happens if I'm late picking up my child?

We understand that sometimes you may be running a little late, don't panic! Just contact your Active Camp coordinator on the number provided on the contact card given to you at registration and let them know. If you are unable to contact them, please call our Head Office on 01254 366316 and a member of our team will be happy to help.

If you have any further questions about our Pro Sport Coaching Active Camps, please contact our team on [info@prosportcoaching.co.uk](mailto:info@prosportcoaching.co.uk) or 01254 366316.
